

New entrants' dates for the diary

Pre-school visits

We have been to visit many pre-schools already.

This is a great opportunity to meet the children in a familiar setting with familiar adults, where they feel safe.

We get to play alongside the children and learn about what they enjoy at pre-school or nursery.

It is also a good chance to them to get to know us a little too. They can put a face to a name. We share a social story book with key photos of our school, explaining some of the areas and resources we have.

Finally, we talk to the children's key workers to get an insight to their friendship groups, interests, family dynamics as well as any particular needs.

Drop-in dates

On Tuesday 18th, Thursday 20th and Thursday 27th June we are open after school (from 3:30-4:30) for you and your child to drop in and say hello.

You can look at the environment, play, meet other parents and talk to the adults in the setting.

Teddy bears' picnic

On Wednesday 3rd July, we are welcoming all children and their families along to a teddy bears' picnic with biscuits and drinks.

This is a good chance to build friendships with their year group. Parents will also have a chance to meet other parents.

Second parent information session
